WELCOME

Every child deserves a slice

Dear Mama, dear Papa,

Birthdays, owambes, Christmas, Eid, school parties — they should be full of joy. But when your child has allergies, they can be full of worry instead. Will there be anything they can eat? Will they feel left out?

This little book is my answer. A real birthday cake your child can blow candles out on. Party food the whole room will enjoy — not "special" food that looks different. And a simple plan for every party, church event and day out.

Every recipe is free from gluten, dairy, corn, eggs, caffeine, tuna, pork, processed sugar and nuts.

Every child deserves a slice. ♥

With love, Tris Eliverson

THE STAR OF THE PARTY

A real birthday cake

Every child deserves to blow out candles on a cake they can actually eat.

BIRTHDAY

Celebration Vanilla Berry Cake

1 hr + cooling · one 20 cm / 8 in cake

YOU NEED

- [ ] 1 cup (140 g) brown rice flour
- [ ] ½ cup (60 g) tapioca flour + ½ cup (80 g) potato starch
- [ ] 1 tsp psyllium husk powder
- [ ] ½ cup pure maple syrup
- [ ] 1 tsp baking soda, ¼ tsp salt
- [ ] ¾ cup coconut milk or water
- [ ] ⅓ cup light olive or avocado oil
- [ ] 1 tbsp apple cider vinegar + 1 tsp pure vanilla powder

STEPS

1. Heat oven to 180 °C / 350 °F. Line a round tin with parchment.
2. Whisk all the dry ingredients together.
3. Add the milk, oil, vinegar and vanilla. Mix just until smooth.
4. Bake 30–35 min until a skewer comes out clean. Cool completely.
5. Frost with chilled whipped coconut cream + 1 tbsp maple syrup. Top with berries and candles!

Why it helps: No egg, dairy, gluten, corn, nuts or processed sugar — every child at the party can have a slice.

Cupcakes: Makes 12 cupcakes too — bake 18–20 min. Many vanilla extracts use corn alcohol, so use pure vanilla powder.

Fluffy coconut frosting

- Chill 2 tins of full-fat coconut milk overnight.
- Scoop out only the thick cream on top.
- Whisk 2 min with 1 tbsp maple syrup until fluffy.
- Keep the cake in the fridge until party time.

Decorate without food colouring

- **Pink:** a spoon of beetroot juice or blended strawberries.
- **Yellow:** a pinch of turmeric.
- **Purple:** blended blueberries.
- Top with fresh berries, mango stars and coconut flakes.

Freeze slices for school birthdays — your child will always have their own cake when classmates celebrate.

PARTY Carob Birthday Cupcakes

45 min · makes 12

YOU NEED

- [ ] 1 batch Celebration Cake batter (see the cake page)
- [ ] 3 tbsp carob powder (add to the dry ingredients)
- [ ] Frosting: cream from 2 chilled tins coconut milk
- [ ] 2 tbsp carob powder + 1 tbsp pure maple syrup
- [ ] Berries or coconut flakes, to decorate

STEPS

1. Heat oven to 180 °C / 350 °F. Line a muffin tin with 12 cases.
2. Make the cake batter, adding the carob to the dry ingredients.
3. Fill the cases ⅔ full. Bake 18–20 min. Cool.
4. Whisk coconut cream, carob and maple until fluffy.
5. Pipe or spread on top and decorate.

Why it helps: Chocolate-style cupcakes with no cocoa, caffeine, dairy, egg or nuts.

PARTY Party Jollof Rice (serves 12)

1 hr 15 min

YOU NEED

- [ ] 6 cups long-grain parboiled rice
- [ ] 12 tomatoes, 6 red peppers, 2 onions, 2 scotch bonnets — blended
- [ ] 4 tbsp tomato paste, ½ cup olive oil
- [ ] 2 tsp thyme, 2 tsp pure curry powder, 4 bay leaves
- [ ] 4 tsp Healing Seasoning Mix, salt
- [ ] 6 cups chicken stock

STEPS

1. Cook the blend in a large pot 20 min until thick.
2. Fry tomato paste in the oil 3 min, add the blend and spices. Cook 10 min.
3. Add stock and washed rice. Cover tightly with parchment and a lid.
4. Cook on low 30–35 min, stirring gently once.
5. Let it rest 10 min, then fluff and serve.

Why it helps: The heart of every Naija party — made without stock cubes or MSG.

Party secret: For the smoky "party" taste, let the bottom catch very slightly at the end.

PARTY Baked Peppered Chicken

1 hr

YOU NEED

- [ ] 2 kg chicken pieces
- [ ] 2 tsp Healing Seasoning Mix, 1 tsp thyme, salt
- [ ] 4 red peppers, 1 scotch bonnet, 1 onion — blended
- [ ] 3 tbsp olive oil
- [ ] 1 tsp paprika

STEPS

1. Season chicken and bake at 200 °C / 400 °F for 35 min.
2. Cook the pepper blend in oil with paprika 10 min until thick.
3. Toss the baked chicken in the pepper sauce.
4. Return to the oven 10 min to glaze.

Why it helps: Party chicken that's baked, not deep-fried — but still saucy and delicious.

PARTY Mini Moi Moi Cups

1 hr 15 min · makes 18

YOU NEED

- [ ] 3 cups black-eyed beans, soaked & peeled
- [ ] 2 red peppers, 1 scotch bonnet, 1 onion
- [ ] 4 tbsp red palm oil
- [ ] 1 tbsp crayfish, 2 tsp seasoning mix, salt
- [ ] About 1½ cups warm water
- [ ] Silicone cupcake cases

STEPS

2. Stir in oil, crayfish, seasoning and salt.
3. Fill silicone cases ⅔ full and set in a steamer.
4. Steam 35–40 min until firm.
5. Cool slightly and pop out.

Why it helps: Egg-free, perfectly portioned and easy for little hands at a party.

PARTY Baked Plantain Puff-Puff Bites

30 min · makes 24

YOU NEED

- [ ] 2 very ripe plantains
- [ ] 1 cup cassava flour
- [ ] ½ cup coconut milk
- [ ] ½ tsp nutmeg, pinch of salt
- [ ] ½ tsp baking soda + 1 tsp lemon juice
- [ ] Coconut oil, for the tin
- [ ] Cinnamon, for dusting

STEPS

1. Heat oven to 200 °C / 400 °F. Oil a mini muffin tin well.
2. Blend plantain and coconut milk until smooth.
3. Stir in flour, nutmeg, salt and baking soda, then the lemon juice.
4. Spoon into the tin. Bake 15–18 min until golden.
5. Dust with a little cinnamon while warm — the plantain is sweet enough.

Why it helps: Puff-puff without wheat, egg or deep frying — so your child can join the party plate.

PARTY Crunchy Cassava Chin Chin

40 min

YOU NEED

- [ ] 2 cups cassava flour
- [ ] 3 tbsp pure maple syrup
- [ ] ½ tsp ground nutmeg, pinch of salt
- [ ] ⅓ cup solid coconut oil
- [ ] About ⅓ cup coconut milk

STEPS

1. Heat oven to 180 °C / 350 °F. Line 2 trays with parchment.
2. Mix flour, nutmeg and salt. Rub in the coconut oil with your fingers.
3. Add the maple syrup, then coconut milk a little at a time, to make a firm dough.
4. Roll out 5 mm thick and cut into small squares.
5. Bake 15–20 min, stirring once, until golden. They crisp as they cool.

Why it helps: The chin chin every Nigerian child knows — with no wheat, no egg, no processed sugar and no deep frying.

Picky eater trick: Let your child cut the squares with a blunt knife. Kids eat what they make.

PARTY Nut-Free Chicken Suya Skewers

30 min + marinating

YOU NEED

- [ ] 600 g chicken breast, cut into strips
- [ ] 2 tsp paprika, 1 tsp ground ginger

- [ ] ½ tsp cayenne (less for kids), 1 tsp salt
- [ ] 2 tbsp olive oil
- [ ] Sliced onion, tomato & cucumber

STEPS

1. Mix spices, salt and oil. Rub over the chicken. Rest 30 min.
2. Thread onto soaked wooden skewers.
3. Bake at 220 °C / 425 °F for 12–15 min, turning once.
4. Serve with fresh onion, tomato and cucumber.

Why it helps: Classic suya spice uses groundnut (kuli kuli). This version is nut-free and party-safe.

PARTY Rainbow Fruit Wands

15 min

YOU NEED

- [ ] Strawberries, pineapple, mango, kiwi, grapes, blueberries
- [ ] Watermelon slices
- [ ] Paper straws or blunt skewers
- [ ] Star cookie cutter

STEPS

1. Cut fruit into chunks, in rainbow order.
2. Cut stars from the watermelon slices.
3. Thread the fruit onto straws and top each with a star.
4. Chill until party time.

Why it helps: Children who won't touch a fruit bowl will happily eat a magic wand.

PARTY Zobo Party Punch

20 min + chilling

YOU NEED

- [ ] 1 cup dried hibiscus (zobo) leaves
- [ ] 8 cups water
- [ ] 1 thumb ginger, sliced, 4 cloves
- [ ] ½ pineapple, peeled (keep the peel too)
- [ ] 6 dates (to sweeten)
- [ ] Orange slices, to serve

STEPS

1. Rinse the zobo. Boil with water, ginger, cloves and pineapple peel for 15 min.
2. Add the dates, turn off the heat and steep 30 min.
3. Strain well. Blend the pineapple flesh and stir it in.
4. Chill and serve with orange slices and ice.

Why it helps: Bright red, fruity and naturally caffeine-free — a party drink everyone can share.

3. Freeze for 6 hours or overnight.
4. Run the mould under warm water for 10 seconds to pop out.

BE PREPARED

Party survival guide

Parties, owambes, church events and school trips can feel scary. With a little planning, your child can join in — and feel included.

Before the party

- Message the host early. Share the allergy card from the Printables pack.
- Ask what will be served — then offer to bring one safe dish to share.
- Feed your child a proper meal first, so they're never hungry and tempted.

Pack a "party box"

- A slice of the Celebration Cake, frozen ahead in portions.
- Nuggets, plantain chips, fruit kebabs, a juice from Healing Sips.
- Make it look special — a bright box, a sticker, a party napkin.

At the party

- Stay close to the food table for younger children.
- Teach a simple line: "No thank you, I have my own special snack."
- Watch for shared bowls of sweets, chin chin and puff-puff.

Eating out

- Choose grilled chicken or fish, plain rice, boiled potatoes, salad.
- Ask: "Is there wheat, milk, butter, egg or corn starch in this?"
- Avoid sauces, gravies, batters and anything deep-fried in shared oil.

Sensory overwhelm is real

Loud music and crowds can be a lot. Arrive early when it's quiet, find a calm corner, and plan a gentle exit time. Leaving happy is a win.
